

CSE523: Machine Learning

Project Report Week- 2

➤ Team name.: **Tech_mak**

➤ Name & Roll no.:

Meet Pedhadiya AU1841056

Ayush Kaneria AU1841062

Mihir Chauhan AU1841065

Krunal Pagdar AU1841066

➤ Tasks Performed in the week

- Finalize data sheet
- Arrange & filter datasets
- Analyse datasets
- Explore API to collect daily data for covid-19
- Check redundancy in datasheet

➤ Outcomes of the tasks performed

- Finalize datasheet and analyse datasheet
- Explore different datasheets for adding another column to final datasheets

➤ Tasks to be performed in the upcoming week

- Will Label datasheet
- Will continue to perform EDA and data processing on datasheets
- Will add more columns to datasheets
- Explore algorithms to be applied
