CSE523: Machine Learning

Project Report Week- 3

➢ Team name.: **Tech_mak**

➢ Name & Roll no.:

Meet Pedhadiya   AU1841056

Ayush Kaneria   AU1841062

Mihir Chauhan   AU1841065

Krunal Pagdar   AU1841066

➢ Tasks Performed in the week

- Label Datasheet
- Perform EDA and compare data of covid-19 with other datasheets

➢ Outcomes of the tasks performed

- Got some filtered data
- Understand basic idea about model to be applied

➢ Tasks to be performed in the upcoming week

- Will continue to filter datasheet to get cleared data
- Will continue to perform EDA and data processing on datasheets
- Explore algorithms to be applied
